CHRISTMAS PROGRAM

This years Christmas program was great! We told the story of Mary and Joseph's struggles during the time of Jesus' birth, and how it wasn't easy. It was fun to see everyone working together to make it happen. I really enjoyed acting the night of the program with all of my friends. After the program we had lemonade and cookies. This year, singing was my favorite part. I am excited to see how next year's program turns out.

What's happening in Art?

My latest art project was making clay spoons. It was really fun and exciting because you got to put things on your spoon to represent you, and what you do. My favorite part was making and shaping the spoon. We did another clay project 1st-semester, but this semester we got different clay. This clay is much more sticky and messy, which I love!

This last semester we did a lot of fun things in art. We made spoons with clay. We also got to make cups with designs on them, and then we melted them in an oven. My favorite thing we did was making the cups melt!
